Mother's TALKING CIRCLE

DECEMBER

FRIDAY | 4 | 3PM

Virtual Meeting

Motherhood comes with a million expectations—especially around how we feed our little ones. Whether your nursing journey was smooth, stressful, short-lived, or didn't happen at all (by choice, circumstance, or biology), your story matters.

Join us for a Mothers' Talking Circle, an inclusive, heart-centered gathering for women in all stages of motherhood. This is a safe, non-judgmental space to share our experiences, unpack societal pressures, conjoin over the landscape of raising children, and connect to our Anishinaabe culture.

Come as you are. All stories are welcome.
