

SHAPE THE FUTURE OF WAYFINDING IN OUR COMMUNITIES

The Department of Transportation is planning new wayfinding – signs and maps that help people navigate our communities. This project will develop a design and implementation plan for new signage and wayfinding across our seven communities.

We need Tribal community members' thoughts on how these signs can reflect our identity and values. Wayfinding lasts for decades; your voice today will shape our communities' future.

Here's what to know about the survey:

- ◆ It's anonymous –
No one will know what you say
- ◆ Enter your name and email at the end for a chance to win a \$200 e-gift card*

*One entry per person; names will not be matched with survey responses to maintain anonymity
